## Chapter 1: Authorizations and Travel Introduction

A Defense Travel System (DTS) authorization captures specific data regarding an upcoming Temporary Duty (TDY) travel (e.g., dates, locations, reservations, should-cost estimates and more). Essentially, the authorization is a means of informing everyone who needs to know when you\* will be gone, where you will be working, and how much you expect your trip to cost.

To build an authorization in DTS, the system accesses database information from your DTS personal profile (e.g., residence and duty data, Government Travel Charge Card (GTCC), Electronic Funds Transfer (EFT) meaning checking or savings account, your assigned organization (i.e., routing lists, Lines of Accounting (LOAs), and budgets), and implements DoD travel regulations to help streamline the process.

*\*In this guide, “you” are a DTS user, unless stated otherwise.*

### 1.1 Travel Planning

When you must travel for an official purpose, there are some things you can do to help the process go smoother. Here are a few considerations:

1. Gather your essential travel information (e.g., travel dates, TDY location, travel mode, site POC, meeting location, mission equipment, site access requirements) before starting the authorization.
2. View your DTS personal profile and update if needed (e.g., GTCC, EFT, work email) before creating the authorization.
3. Ensure your GTCC Individually Billed Account (IBA) is active or if using the Organization’s Centrally Billed Account (CBA) contact the Agency Program Coordinator (APC) for assistance.
4. Review the [JTR](#) if you have any questions on transportation, rental car, lodging, per diem, and allowable travel expenses.
5. Consult with your Authorizing Official (AO) about the transportation requirements.
  -  Per the [JTR](#), par. 020203-2. “When Government transportation is not directed, commercial travel by airplane, rail, bus, or ship is generally the most advantageous method of transportation and should be selected when reasonably available. Of these types the most preferable is travel by airplane if the distance is greater than 250 miles. If the distance is 250 miles or less, then travel by rail is preferred if available; if not available, then travel by rental vehicle is preferable.” Your AO will use several factors to determine which type of transportation is most advantageous to the Government for TDY travel.
  -  Under the [JTR](#), par. 020206-O. “Sustainable Travel Modes. To promote sustainable transportation, the traveler should consider using ZEVs over other automobiles; rail over air travel if the distance is less than 250 miles or long-distance automobile travel; and public transit over automobiles.”
  -  Be aware you must provide a Constructed Travel Worksheet (CTW) anytime you use your POV as the preferred transportation mode to and from the TDY location. In the [JTR](#), par. 0202 Transportation, it states, “If the traveler selects an alternate mode than as specified in par. 020203, then they must demonstrate to the AO’s satisfaction that the selected mode of travel was the most efficient or economical option reasonably available.”

6. Follow your local business rules regarding travel.

## 1.2 Document Basics

The detailed steps on how to create an authorization appear later in this guide. Here are some general guidelines when you need to process a trip:

1. Allow ample time for the authorization to process through reservations, approval, and ticketing.
  - For CONUS travel, recommend starting at least 2 to 3 weeks out, but refer to your local business rules on advance trip planning.
  - For OCONUS travel, recommend starting at least 45 to 60 days out to allow time to complete security briefings, schedule medical appointments, or complete other local requirements.
2. Provide a complete authorization and all supporting documentation to prevent routing delays and document returns.
3. Book all reservations which can be using DTS and TMC per the [JTR](#).
4. Enter known estimates (e.g., baggage fees) as allowed by the [JTR](#) to better track funding obligations.
5. Record valid justifications for **Pre-Audit** flags and **Reason Codes** to support travel compliance.
6. Sign the authorization, so the document routes to the TMC (i.e., document has reservations) and Routing Officials (ROs) for action.
7. Monitor the status of your document for approval or return for corrective action and ticketing. If you have questions, contact your DTA or supervisor.
8. Verify receipt of TMC notification/invoice before departing. Retain TMC invoice for voucher.

For more information see the trifold, [Create an Authorization: Traveler Instructions](#).

## 1.2 System Alerts

There are a few alerts DTS provides users to keep them informed and to stay within policies. These include:

1. If you're logging into DTS for the first time or after an extended period, DTS may provide you a pop-up message which can include:
  -  **Review and Update Profile.** This option triggers when it is at least 60 days since your last log on to DTS. Either choose Open Profile and make your changes or Continue without Updating. For more about profiles, see the [DTS Guide 1: Getting Started](#) and the [DTA Manual, Chapter 7: People](#).
2. If there are module change which could impact the way the user interacts with the system.
  -  **What's New.** This feature alerts you when software changes occur. The first time you access an affected module, the What's New feature activates. A series of pop-up screens annotate any revisions. Once you proceed through the overview, you must select **Got It** to close the messaging. Your personal profile tracks your acknowledgement and then the **What's New** feature inactivates. As this a one-time alert, unless there is another system change, you will not see the **What's New** alert again. For more on the **What's New feature**, review the [DTS Guide 1](#).

3. DTS is programmed to conform with standard time-out rules throughout the system.

-  If you are in DTS, you will be presented with a **Logout due to Inactivity** warning after 9 minutes, with a 60 second countdown, letting you know they are about to be logged out due to inactivity.
- You are presented with two options: **Keep me logged in** or **Log me out**.
  - To stay in DTS and continue your actions, select **Keep me logged in**.
  - To exit, select **Log me out**. You can view the screen shot in [DTS Guide 1](#).

**Note:** If you experience a problem accessing the DTS [Home](#) page, contact your local IT to verify your allowable browsers and enable pop-ups, install JavaScript and DBsign on your pc. See the bottom of the DTS [Home](#) page, Need More Assistance? for the requirements.

### 1.3 Trip Processing Rules

Travelers and those who create, edit, or amend documents for travelers must adhere to trip processing rules. Authorization specifications apply to reduce the possible invalid reservation selections (e.g., selections made in the next FY before airlines post flights) and incorrect per diem calculations (e.g., documents crossing multiple FYs and per diem changes). Voucher specifications apply to reduce incorrect per diem calculations resulting in debt. These processing rules include:

- Authorizations may not be created greater than 6 months in advance of the trip.
- Imported authorizations may not be created greater than 6 months in advance of the trip.
- Authorizations will not have the amend link available 75 days after the last day of travel.
- Authorizations and vouchers can't exceed the maximum trip length of one year from the trip start date.
- Imported Authorizations along with vouchers can't exceed the maximum trip length of one year from the trip start date.

When a document does not meet the policy requirements for trip creation date and/or trip duration on the Itinerary page, DTS will alert the user.

-  If creating a document further out than six months from current date, the following error message displays under the *Create Itinerary* section:
  - "There are errors with this itinerary. Please correct the errors and try submitting again."
-  If creating a document further out than six months from current date, the following error message displays under the *Trip Overview* section, Leaving On field:
  - "Your overall Leaving date must be less than 180 days in the future."
-  If creating a document with a trip duration of greater than one year, the following error message displays under the *Create Itinerary* section:
  - "There are errors with this itinerary. Please correct the errors and try submitting again."
-  If creating a document with a trip duration of greater than one year, the following error message displays under *Your TDY Locations(s)* section:
  - "Total trip duration cannot exceed one year."

-  If editing an existing trip to extend the total trip length and the duration is greater than one year, the following error message displays under the *Edit Itinerary* section:
  - "There are errors with this itinerary. Please correct the errors and try submitting again."
-  If editing an existing trip to extend the total trip length and the duration is greater than one year, the following error message displays under *Your TDY Location(s)* section:
  - "Total trip duration cannot exceed one year."
-  If editing an existing trip to extend the total trip length and the duration is greater than one year, the following error message displays under the **Trip Overview** section, the Returning On field:
  - "Total trip duration cannot exceed one year."
-  If amending an authorization with SPPs, DTS will automatically cancel scheduled SPPs to prevent improper payments. After adding or editing expenses, reschedule the SPPs on the amendment.

Once an error for trip duration occurs, the traveler, clerk, or NDEA must correct the dates before proceeding past the **Itinerary** page.

In circumstances where travel is greater than one year:

- Follow your local business rules on how to document and process the extended trip.
- For DTS purposes users can't exceed the trip duration limit. Instead, an additional authorization and voucher is necessary. For auditability, comments can be added to associate the two documents.

## 1.4 DTMO Website

The [DTMO](#) website (Figure 2-0) provides information about [Programs](#), [Policy & Regulations](#), [Compliance](#), [Training](#) and more to assist with travel. The DTMO [Training Search Tool](#) provides numerous entries (e.g., guides, manuals, information papers, trifolds) to support DTS users. Besides *DTS Guide 2: Authorizations*, the main document processing guides to assist travelers are [DTS Guide 1: Overview](#), [DTS Guide 3: Vouchers](#), [DTS Guide 4: Local Vouchers](#), and [DTS Guide 5: Group Authorizations](#).

- DTS directs you to the **Reservations** module to make your trip reservations.

- Pay close attention to dates and times when you book your reservations.
  - Double check rental car pick-up and drop-off times against your air arrival and departure reservations. When traveling overseas, verify the vendor's hours of operation for late pick up availability.
  - Double check lodging check-in and check-out times against your air arrival and departure reservations. If late hour arrival is expected then verify hotel shuttle pick up or taxi accessibility.
  - If you do not require reservations for your trip, select **Expenses** on the **Progress** Bar.

**Note:** If you have specialized travel, review the entries under *Section 2.2 Non-Routine Travel*, otherwise skip and move to *Chapter 3*.

## 2.2 Non-Routine Travel

Processing trips other than **Temporary Duty Travel (Routine)** is determined by travel policy and meeting certain criteria. These trip types include *Invitational Travel*, *Invitational Travel – Transportation Expenses Only*, *Dependent Invitational Travel*, *Dependent Invitational Travel – Transportation Expenses Only*, and *Government Funded Leave*. When you select one of these types, additional information may be required for the itinerary, travel reimbursement may be limited, the AO may request supporting documentation, and **Other Authorizations** and/or **Pre-Audit flags** will activate requiring comments to justify the travel.

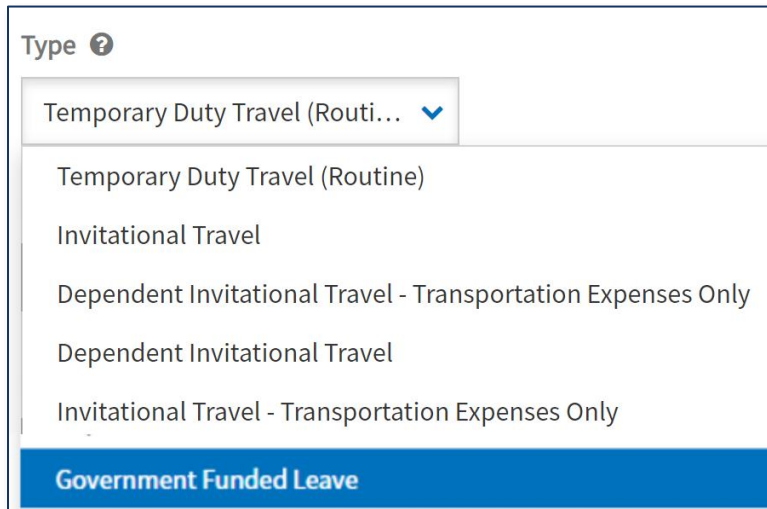

### 2.2.1 Invitational Travel Authorization

The **Invitational Travel Authorization (ITA)** process begins when the organization identifies a need for an ITA-eligible individual to travel at DoD's expense. Processing of invitational travel is with mutual consent, meaning the organization must invite the person to travel, and the person must accept the invitation.

To be eligible for invitational travel, a prospective traveler must meet **all** the requirements stated in [JTR, Ch. 3, par. 0305, par. 030501-A. and par. 030501-C](#), as well as, not fall into any of restrictions highlighted in [JTR, par. 030501-D](#).

Travelers requiring an ITA typically do not have access to DTS. If this is the case, then the DTA, Document Preparer/Travel Clerk or sponsor in the situation of a dependent traveling, follow the normal steps to create an authorization and itinerary. **Note:** Be certain to enter the correct **Trip Type** and only add allowances permitted by the [JTR](#).

1. Select the **Type**. Then select the appropriate **Invitational Travel** label based upon travel need (Figure 2-3). The Trip Type selection drives your allowances and reimbursements.

### 2.2.2 Government Funded Leave

The **Government Funded Leave** process begins when travel is required for a DoD military member and their dependents or civilian employee and their family members under certain conditions and when they meet the qualifications. There are limitations, additional documentation may be required, and not all forms of **Government Funded Leave** apply to both military and civilian employees. This travel includes *Funded Environmental and Morale Leave (FEML)*, *Emergency Leave*, *Emergency Visitation Travel (EVT)*, and *Rest & Recuperation (R & R)*.

1. To be eligible for **Government Funded Leave**, a prospective traveler must meet all the requirements stated in [JTR](#), Ch. 4, par. 0401 and sub-sections specific to the travel need.
2. The traveler, DTA, or Document Preparer/Travel Clerk uses the standard process to create an authorization and itinerary. **Note:** Be certain to enter the correct **Trip Type** and only add allowances permitted by the [JTR](#).
3. Select the **Trip Type**. Then select **Government Funded Leave** (Figure 2-3, above). The trip type selection drives your allowances and reimbursements.
4. Select the **Purpose**. See Figure 2-4 for the list of trip purposes.
5. Determine if you need to create dependent travel. Select **Add Dependents** to create or add a family member following the steps outlined in *Section 2.2.1*. If you don't need to add dependent data, then skip to the **Description** field.
6. (Optional) Enter comments under **Description** to identify the specific type of leave travel (e.g., EVT, FEML) based upon your local business rules.

8. To proceed with creating the document, select **Continue**.

## Chapter 3: Authorization Layout & Navigation

Completing the itinerary automatically creates your authorization and the page opens in the **Reservations** module. The DTS authorization screens all follow the same general layout, so it makes sense to introduce it before we move on to discuss specific screen contents. Figure 2-9 describes the basic screen layout.

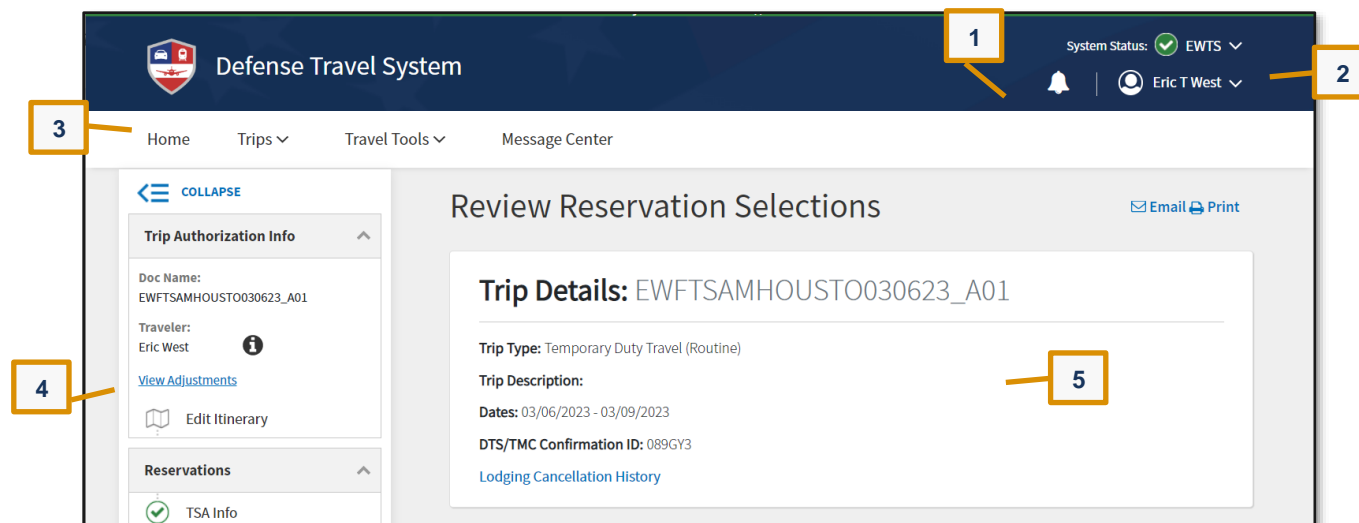

Figure 2-9: DTS Screen Layout

At the top of the document is the header which contains information about your current session: system operation status indicators, alerts notices or bell icon (Figure 2-9, Indicator 1), and your login information (Figure 2-9, Indicator 2) on the far right.

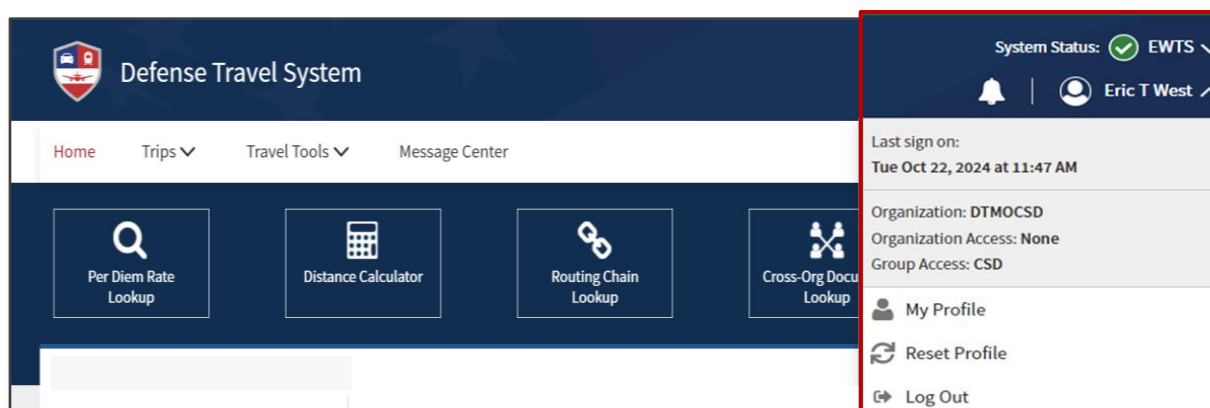

Figure 2-10: Logon Information Screen

If you select on the down arrow or chevron by your name the window expands (Figure 2-10). You see the following:

- **Last sign on.** Records date/time of recent system access.
- **Organization.** Displays your assigned DTS organization which includes at least one routing list, LOA, and budget for document processing. **Note:** If you don't have an assigned organization, you can't log into DTS to perform your assigned role.

- **Organization Access.** Lists the data if a Defense Travel Administrator (DTA) granted you organization access. **Note:** Travelers do not need organization access to see their documents, so the field would reflect **None**. If you are a DTA, then the appropriate organization access should appear.
- **Group Access.** Lists the data if the DTA granted you group access. **Note:** Travelers do not need group access to see their documents, so the field should reflect **None**. If you are an DTA, NDEA, or travel clerk then the appropriate group access should appear.

## Chapter 4: Reservations Module

The **Reservations** module (Figure 2-13) lets you make commercial air, rail, rental car, and lodging reservations. After you save your itinerary, the **Reservations** module automatically opens. You can also re-visit the **Reservations** module at any time by selecting one of the **Reservations** options on the **Progress Bar**.

### 4.1 Enter TSA Information

When you indicate you need air, rail, or rental car during itinerary creation, the **Enter Your TSA** (abbreviation for “Transportation Security Administration”) **Info for This Trip** screen (Figure 2-14) displays before you can make a reservation request. If you do not need these reservations, the screen does not appear.

Figure 2-14: TSA Information Screen

 You must enter your **TSA Secure Flight Information** as part of air, rail, and rental car Passenger Name Request (PNR). It contains the **Secure Flight Personal Data (SFPD)** information that DTS must transmit to the TSA for watch list screening. The fields populate with information from your DTS profile, but you can change them if necessary.

When creating an authorization for a dependent, you must enter the information for the dependent traveler.

**Note:** The *TSA PreCheck* program offers expedited security screening at participating airports. To use dedicated *TSA PreCheck* security lanes, enter your **DoD ID number** in the **Known Traveler Number** text box (Figure 2-14) when making air reservations for official travel.

You can open the TSA screen at any time by selecting **TSA Info** on the **Progress Bar**. *Table 2-2* explains **TSA Secure Flight** fields.

Table 2-2: TSA Secure Flight Fields

1. Enter or update your profile information, if needed.
2. (Optional) Check the **Save this TSA information** to my profile box to update your DTS personal profile. If unselected, the information effects only the current document.
3. Select Continue to **Booking**.

4.2 Flight Reservations

If you indicated commercial air as a transportation mode when you built your itinerary, DTS automatically searches for appropriate flights and displays the results. At any time, you can add a new air reservation by selecting **Add to Trip > Add new flight** on the **Review Reservation Selections** screen (see *Section 2.13*). To open that screen, select the **Review Reservations** on the **Progress Bar**. **Note:** The **Enter Your TSA Info for This Trip**

screen appears before DTS allows you to proceed with Flight requests. Complete and move forward. See *Section 4.1* for more information.

**Note 1:** Review the DTMO website for commercial air use at <https://www.travel.dod.mil/Programs/Commercial-Air/> and the *JTR* for fare class and rules.

**Note 2:** Review the **City Pair Program** and **Search Tool** on the GSA website at <https://www.gsa.gov/travel/plan-book/transportation-airfare-rates-pov-rates-etc/airfare-rates-city-pair-program>.

### 4.2.1 Book Flights

Booking a flight is a four-step process.

1. **Step 1:** On the **Select a Flight** screen, DTS initially lists available flights with policy-compliant fares at the top, other fares at the bottom, and from least expensive to most expensive. Use the **Select Flight** button (Figure 2-15, Indicator 1) to choose a flight. **Note:** If none of the displayed flights meet your mission, you can change the criteria such as time of day and **Search** again for new flights (Figure 2-15, Indicator 3).

Figure 2-15: Select a Flight Screen

**Note:** When DTS displays (or when you select) a restricted airfare, DTS provides warnings about the use of restricted airfares in general and details about the selected flight. Some information DTS provides includes:

- The fare category as *Restrictions Apply* with and highlighting in yellow.
- The restrictions under the **Fare Rules** link (Figure 2-15, Indicator 2).
- A pop-up to warn you about the possibility of incurring additional fees, if your travel plans change.
- Similar warnings and information throughout the air reservation process.

For important information about how to handle restricted fares in DTS, see the information papers [Restricted Airfares in DTS](#) and [Travel Advances when Using Restricted Airfares](#).

2. **Step 2:** The **Select a Seat** screen opens. If the airline made a seating chart available, choose **Select a Seat Number** or **Select a General Seat Preference** (Figure 2-16, Indicator 1) marked in green or a seat type (Figure 2-16, Indicator 2) before selecting **Confirm** to advance to the next screen.

**Note 1:** DTS provides a banner at the top of the page alerting the traveler or document creator, “Advance seat selections are not guaranteed and are subject to change by the airline(s)”.

**Note 2:** If you chose a flight with more than one leg, you must make selections for all legs.

Figure 2-16: Select a Seat Screen

3. **Step 3:** On the **Confirm Your Flight** screen, you can make special accommodation requests (Figure 2-17a, Indicator 1), enter rewards program information (Figure 2-17a, Indicator 2), and change the payment type – say, to show you’re paying with a CBA – (Figure 2-17a, Indicator 3).

- If your TDY Location is CONUS you see the flight information at the top of the page with the **Payment Summary** below it (Figure 2-17a).
- If your TDY Location is OCONUS you see the flight information at the top of the page, followed by **Passport Information** (Figure 2-17c) with the **Payment Summary** below it (Figure 2-17d). The **Passport Information** provides data that transmits in the PNR, although none of fields are not marked as mandatory. It contains:
  - **Last Name, First Name, MI, Gender, and Date of Birth** which automatically populates from the **TSA Information**. Your data is used by TSA to verify passenger information.
  - **Passport Number, Issuing Country, and Expiration Date.**
  - **Contact Information**
    - **Emergency Contact Information** pulls from the profile.
    - (Optional) **Destination POC** information.

4. **Step 4:** Select **Book Flight** to retain your choice (Figure 2-17a, Indicator 4 or Figure 2-17c).

If you cannot find a flight that meets your mission requirements, you have two options.

On the **Select a Flight** screen (Figure 2-15):

1. At the top of the page (Figure 2-15, Indicator 2) **Search** for different flights.
2. Review the results and then Select **Flight** and **Confirm** the selection.
3. Choose **Book** Flight to retain flight option.

On the **Select a Flight** screen (Figure 2-15):

1. At the bottom of the screen, select the **Request TMC Assistance** link to request flight help. DTS provides system-generated comments to the TMC to help you find a flight (Figure 2-17e). **Note:** You may add information to the system-generated comments, but do not alter them.

Figure 2-17e: Request TMC Assistance Screen

2. Select **Send TMC Request** and the information saves in **Review Reservation Selections** (Figure 2-17f) section.

Figure 2-17f: TMC Assistance Requested - Review Reservation Selections Screen

3. The **TMC Assistance Requested** for air also appears under the **Review Trip Authorization** screen.

**Note:** When you need TMC assistance, contacting the TMC outside DTS may incur an additional processing fee.

DTS provides a **Booking** message when successful which contains the PNR (sometimes referred to as reservation code). Continue making air reservations until you have booked all flights.

**Note:** Be aware that some carriers maintain a separate PNR for their information and don't allow their PNR to be combined with another carrier. For example, if you select *Southwest* for an outbound flight, but select *American* for the return leg, you will have two airfare PNRs. Make sure you have the invoices for both carriers in case you require flight changes and for vouchering purposes. After you select your last flight, DTS automatically moves to the next reservation type, based on the options you selected when you created the trip itinerary.

### 4.3 Rail Reservations

If you indicated that you would use commercial rail as a transportation mode when you built your itinerary, DTS automatically searches for trains and displays the search results. At any time, you can add a new rail reservation by selecting **Add to Trip > Add new rail** on the **Review Reservation Selections** screen (see *Section 3.7*). To open that screen, select **Review Reservations** on the **Progress Bar**. To view an existing rail reservation, just select the rail option on the **Progress Bar**. **Note:** The **Enter Your TSA Info for This Trip** screen appears before DTS allows you to proceed with Rail requests. Complete and move forward. See *Section 4.1* for more information.

Amtrak doesn't post live train availability to DTS, but travelers can search DTS to view a static list of scheduled rail departures. Then using the **Request TMC Assistance** option, send the information to the TMC for booking. After the TMC books the request, DTS updates with the rail reservation details.

**Note 1:** Review the DTMO website for rail information at <https://www.travel.dod.mil/Programs/Rail/> and the *JTR, par. 020203 for Transportation Types Most Advantageous to the Government*.

**Note 2:** Review Amtrak website for Federal Government use at <https://www.amtrak.com/government-discount>.

**Note 3:** There is no pop-up window for TSA information for rail requests. You will need to provide the required identification information either using the **TMC Comments** box under **Special Requests** on the **Confirm You Train Request** page or by other means outlined in your local business rules. Confirm the TMC receives your information necessary to book rail travel reservations.

### 4.3.1 Book Train

Booking a train is a three-step process.

1. **Step 1:** If DTS finds a train, it lists scheduled trains, initially in departure time order.
  - Use a **Select Train** button (Figure 2-18a, Indicator 1) to choose a train.
  - If DTS can't find a train based upon the entered search criteria, you will need to select a different station, date or time.

Continue until you have requested reservations for all trains. After you send your last train request, DTS automatically moves to the next reservation type, based on the options you selected when you created the trip itinerary.

## 4.4 Rental Car Reservations

If you indicated a rental car as a transportation mode (either en route or in-and-around) when you built your itinerary, DTS automatically searches for vendors participating in the *U.S Government Rental Car Program* and only displays those search results. At any time, you can add a new rental car reservation by selecting **Add to Trip** > **Add new rental car** on the **Review Reservation Selections** screen (see *Section 3.7*). DTS displays lodging types meeting the [JTR](#) directives (which depends on who you are and where you're going) in order of:

- **DoD Lodging.** Facilities that are owned/leased and operated by the U.S. Government.
- **Public-Private Venture (Privatized) Lodging.** Government-owned, commercially operated facilities available near or on Military installations.
- **Commercial Lodging.** Facilities owned and operated by commercial entities, typically located off military installations. Includes DoD Preferred lodging and other commercial lodging such as *FedRooms*, *Long Term Lodging*, and *Emergency Lodging Services*.

**Note:** If a directed lodging type has no availability, DTS informs you and offers other lodging options.

Travelers should review the [JTR](#), par. 020303 before booking lodging for official travel. They can view Lodging FAQs at <https://www.travel.dod.mil/Support/ALL-FAQs/Article/2963047/lodging/>.

Here are some key rules for [ILP](#):

- The [JTR](#) requires you to put the correct TDY location on your travel document. For example, if you are TDY to a military installation, make sure your authorization reflects that installation, not the city it's located in.
- When you are TDY to an installation at an [ILP](#) location, you must use the directed, available lodging unless an approved exception applies, see the [JTR, Supplement DoD ILP](#).
- When you are TDY to a metro area at an ILP location, you must use **DoD Preferred Commercial Lodging**, if it is available. If it is not available, you may stay in any lodging you choose. **Note:** In this guide, a "metro area" is a geographical construct comprised of one or more municipal locations (cities, towns, etc.) that are not considered part of an installation. See the DTMO Website for information about the [ILP Sites](#).
- If you decline to use an available, directed lodging type and there is no approved exception, your lodging and meal reimbursements will be limited as directed by the [JTR, Table 2-15](#).

The DTMO website's [Lodging](#) page (Figure 2-22) explains the ILP in general, describes each lodging category, provides the [ILP Site Search Tool](#), and offers various ILP resources.

- The *Additional Comments* section lets you add comments to the TMC message. Add information to support your request, but don't override the original wording to the TMC.
- Select **Send Request** to transmit comments to the TMC.

**Note 1:** Lodging rates reflected in this guide are for illustrative purposes only. For current [ILP](#) rates use the [Lookup ILP Rates](#) tool.

**Note 2:** For overall **Per Diem** rates, use the [Per Diem Rate Lookup](#) tool. The allowed rates under the **Per Diem** table in DTS reflect a different amount than those under the **Per Diem Rates Lookup** tool due to the *ILP* policy limitation.

**Note 3:** Some **DoD Lodging** facilities require booking through the provider's website. In such cases, see the [DTMO](#) website for those links. If you must book offline, DTS provides an option to decline to use lodging or skip lodging reservations. Be sure to clearly document the reason for offline booking.

When you finish using the **Reservations** module, select **Continue to Expenses** (Figure 2-35g) to enter your estimated expense costs and transportation allowances.

**Note 1:** When you leave the **Reservations** module, DTS warns you that if you do not sign your authorization within 24 hours, your reservations automatically cancel (Figure 2-36a) when your trip is further than 3 business days from departure. You must acknowledge this warning to proceed.

*Figure 2-36a: Auto Cancel Warning Screen*

**Note 2:** When you leave the **Reservations** module, DTS warns you that if you do not sign your authorization within 12 hours, your reservations automatically cancel (Figure 2-36b) when your trip within 1 business days of departure. You must acknowledge this warning to proceed.

*Figure 2-36b: Auto Cancel Warning Screen*

**Note 3:** You should cancel hotel reservations timely when travel is no longer required, especially when within 24 to 48 hours of departure to avoid hotel cancellation or no-show fees. Even if the authorization is unsigned with reserved reservations, you can still incur fees. Be sure to follow the cancellation process in DTS and obtain cancellation confirmation numbers. Always, follow up with the vendor to ensure reservations fully cancel. For more on canceling a document, see the information paper, [Trip Cancellation Procedures](#).

## Chapter 5: Expenses Module

In an authorization, the Expenses module allows you to estimate expected travel reimbursable expenses and calculate your anticipated mileage allowances. Accurately predicting your trip expenses and allowances provides an accurate “should-cost” estimate for your trip.

Access the **Expenses** module on the **Progress Bar**. Then the **Enter Expenses** screen opens. Information displays as a single running list by date with the most recent entry at the top of the page. You can select **Sort By** (Figure 2-37, Indicator 1) to re-order the listing or leave the default view. On the **Enter Expenses** screen (Figures 2-37), you can:

- Toggle between **Expand All** and **Collapse All** (Figure 2-37, Indicator 2) to open and close all the expense items data cards to see **Details**, **Notes**, and **Attachments**.
- Use the **Import PDF** feature to easily attach records to expenses (Figure 2-37, Indicator 3).
- **Download all attachments** (appears after attaching receipts - not shown).
- Select the single entry point to **Add** expenses (Figure 2-37, Indicator 4).
- View **Details** for booked reservations (Figure 2-37, Indicator 5).
- Select **Lodging** expense (Figure 2-37, Indicator 6) to display the lodging per diem for the TDY location.  
**Note:** The calendar displays daily per diem allowance. You can use **options** (3-dots icon) for quick access to **Edit Per Diem** for leave or record provided meals.
- See **Receipt Required** icon (Figure 2-37, Indicator 7).
- View the **Expense Summary** (Figure 2-37, Indicator 8).
- **Continue** to the next screen (Figure 2-37, Indicator 9).

**Note:** The **Enter Expenses** screen communicates and executes tasks through the extensive use of icons and links. See *Section 5.4* for an explanation of the most used icons.

The screenshot shows the 'Enter Expenses' interface. At the top, there's a title 'Enter Expenses' (1). Below it, a 'Sort By' dropdown is set to 'Date (Newest)' (5), followed by an 'Expand All' button (2) and a document icon (3). A blue 'Add' button is on the right (4). The main area contains a list of expense items, each with a 'Details' link (6), a date, a warning triangle icon, and a dollar amount. The items are: United Airlines (Flight 732 - SAT to DEN) for \$404.60, Lodging (Ft. Sam Houston, TX) for \$434.72, United Airlines (Flight 2671 - IAD to SAT) for \$395.10, and Sixt GMBH and Company (SAT) for \$250.13. At the bottom, an 'Expense Summary' box (8) displays: Reservation Expenses \$1,484.55, Other Expenses \$0.00, and Total Expenses \$1,484.55. Navigation buttons 'Back' and 'Continue' are at the bottom right (9).

## 5.1 Reservation Expenses

Reservations automatically import from the **Reservations** module into the **Enter Expenses** screen (Figure 2-38). A triangle icon flags all items meeting the receipt requirements. **Note:** You cannot manually add or remove reservations from the **Enter Expenses** screen. Return to the **Reservations** module to add additional reservations or cancel them.

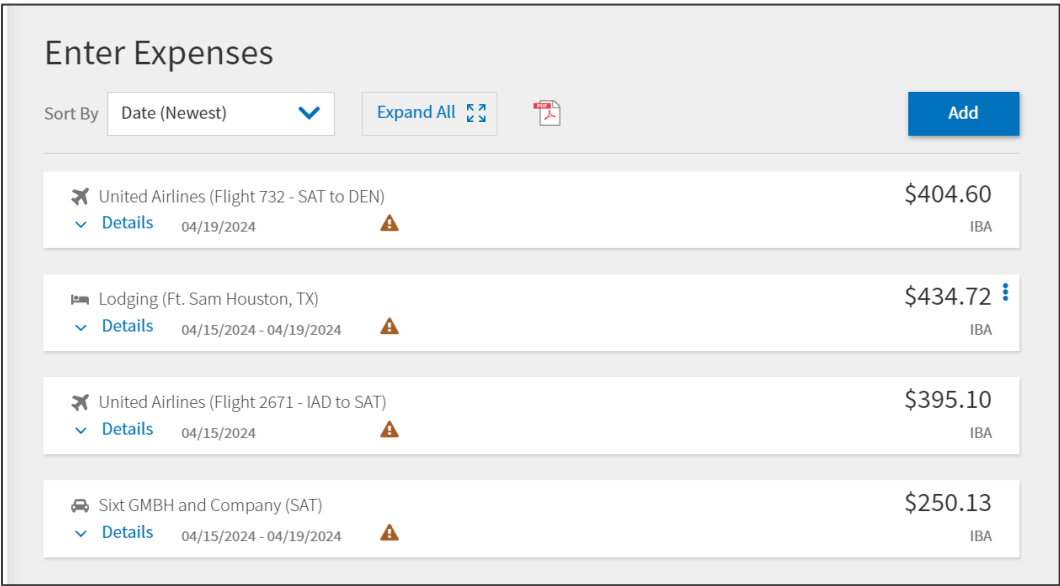

Figure 2-38a: Enter Expenses Screen

Each imported reservation expense listed on the **Enter Expenses** screen contains the vendor, expense type, and other key Details including the **Date**, **Cost**, and the method of reimbursement (MOR), which will be either **IBA** or **EFT** (Figure 2-38a).

5.1.1 View Flight Data

- 1. Locate the expense item and select **Details** (Figure 2-38a). The screen opens to **Info** (Figure 2-38b).
- 2. You can only view the **Ticket Number**, **Ticket Cost**, and **Dates**.
- 3. (Optional) Select **Notes** to add comments.
- 4. Select **Update** to save the change.
- 5. Select **Details** again to close the window

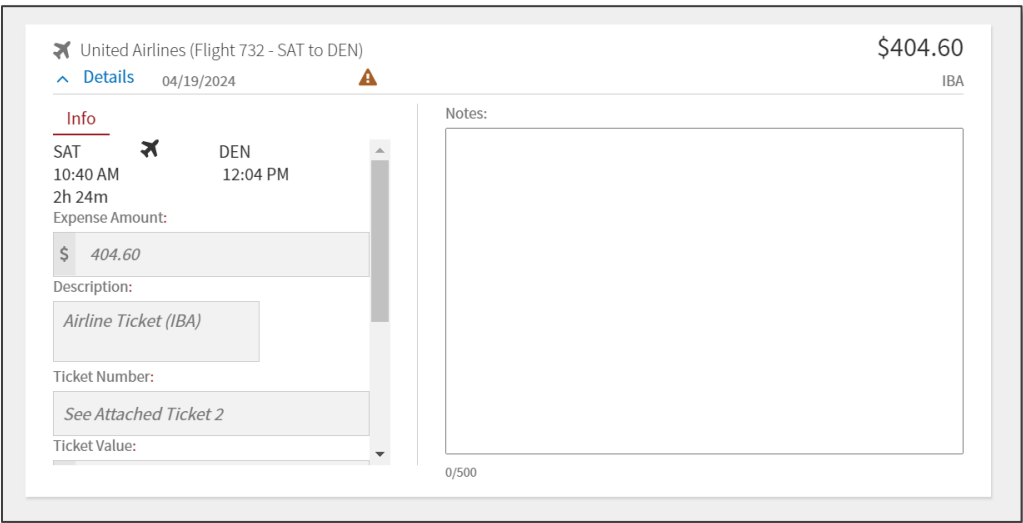

Figure 2-38b: Details – Departure Flight Reservation

**Key Note 1:** DTS initially lists all flights as one-way flights until the document comes back from the TMC (Figure 2-38a). Once the TMC books the outbound and return flights, the trip record updates, and the document status reflects **CTO BOOKED**. When that happens, DTS attaches the round-trip fare to the outbound flight and then shows the return flight with a \$0.00 cost or DTS only displays outbound flight and does not display the return flight at all. The TMC emails you a confirmation at booked and again at the time of ticketing, providing all the specific reservation details. Review the information thoroughly before starting travel.

**Key Note 2:** Domestic train reservations appear in this section, but displays a \$0.00 cost. Update the expense with the actual cost after confirming booking by the TMC.

### 5.1.2 View Rental Car Data

1. Locate the expense item and select **Details** (Figure 2-37). The **Details** screen opens (Figure 2-39).
2. (Optional) Select **Notes** to add comments.
3. Select **Details** again to close the window.

5.2 Other Expenses

The **Expenses** module provides six primary expense categories (groupings), which are available under **Add** on the **Enter Expenses** screen for an authorization and the voucher. *Table 2-3* shows the expenses available in each category.

**Key Note:** The **Expense** categories (with the **Expense** types) contain typical expenses, which travelers might incur (based upon the mission). If the **Expense** table does not include an allowable incurred expense, the traveler should contact their DTA or AO (see your local business rules) for guidance on entering the expense in DTS.

  - Attached records or receipts.

**Key Note 1:** Certain selections such as **Mileage, Private Auto – To/From TDY** requires you to complete a **Constructed Travel Worksheet (CTW)**. A message appears if the expense warrants the CTW.

- You can access a CTW in a document by navigating to the **Other Auths and Pre Audits** screen and select the **Constructed Travel Worksheet** link when an expense merits one.
- You can also access the Constructed Travel (worksheet and instructions) information from the DTMO website at <https://www.travel.dod.mil/Programs/Defense-Travel-System/Constructed-Travel/>.
  - If you try to download the worksheet and open it using Chrome without saving it first, you may receive a “Please wait” message that does not resolve. This situation is specific to the

Chrome browser and not a problem with the actual CTW file. **To resolve:** Save and open the file from the saved folder location.

- Available on the DTMO website is the information paper, [Introduction to Constructed Travel](#) which provides some constructed travel examples.

**Key Note 2:** If you select Mileage, **Private Auto – To/From TDY** expense you must enter the zip code in the Starting Location and in the Ending location fields to calculate the distance properly.

**Key Note 3:** If you incur expenses in foreign currency, enter the dollar equivalent. Use the official exchange rate you received when you exchanged the currency to calculate the dollar equivalent.

### 5.2.2 View or Update an Expense

4. The **Enter Expenses** screen updates. The expense is no longer in DTS.

### 5.3 Attaching Files and Substantiating Documents

Depending upon your travel requirements, you may need to attach a file or record to support the authorization. Typical documents can include:

- Constructed Travel Worksheet (CTW)
- Approval for other than economy/coach class travel
- Leave form
- Memo

When you attach or upload a record, DTS automatically converts it to a .png file, which allows viewing without having to download first. However, for documents that must retain .pdf integrity, such as digitally signed records, you have the option to check the **"Attach as PDF"** box.

#### 5.3.1 Attach a Receipt

1. From the **Enter Expenses** screen, locate the expense item. Select **Details** (Figure 2-50, Indicator 1) and the window expands.
2. Choose the option to attach on the right side of the entry (Figure 2-50). You can **browse**, **Drag and Drop** or select the **+** sign to add a file.

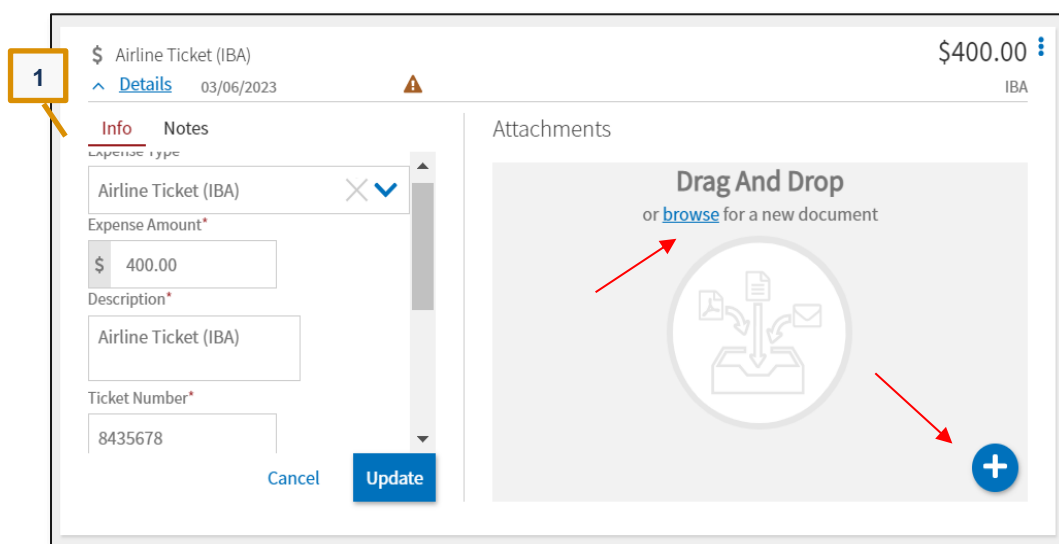

Figure 2-50: Details Attachments Screen

3. Once the attach option is selected, the **Attach Document** window (Figure 2-51) displays. Search for the document to attach, then the **File Name** field updates to your selection.

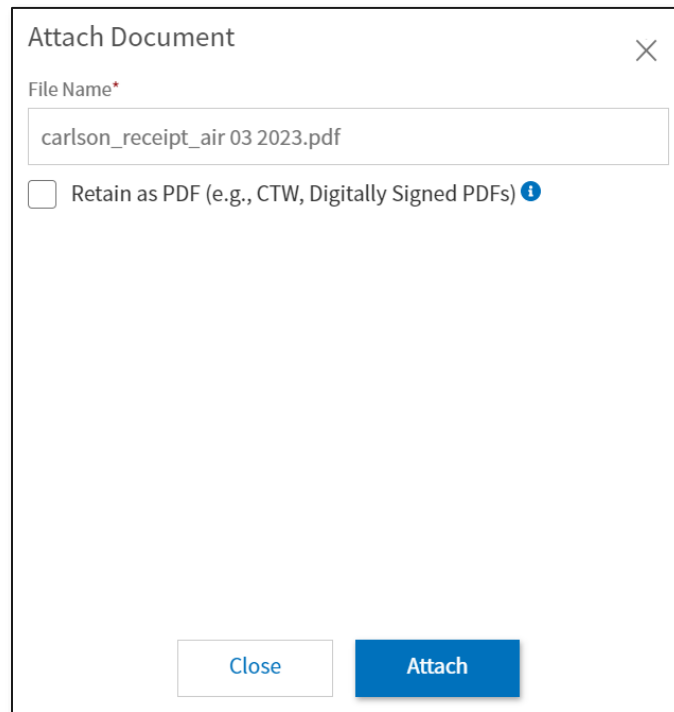

The image shows a software window titled "Attach Document" with a close button (X) in the top right corner. Inside the window, there is a label "File Name\*" above a text input field. The input field contains the text "carlson\_receipt\_air 03 2023.pdf". Below the input field is a checkbox that is currently unchecked, followed by the text "Retain as PDF (e.g., CTW, Digitally Signed PDFs)" and a small blue information icon. At the bottom of the window, there are two buttons: a light blue "Close" button and a dark blue "Attach" button.

Figure 2-51: Attach Document Screen

4. Select **Attach** to confirm that this is the correct file. **Note:** the file will automatically convert to the .png image for viewing. You should only check the box **Retain as PDF** method when you need to keep the format for a digitally signed form. Once the file attaches (Figure 2-52), you should see the document and view number of attachments. Icons on the screen include:
- **Trash can** to remove the record (Figure 2-52, Indicator 1).
  - **Rotate Left** (Figure 2-52, Indicator 2).
  - **Rotate Right** (Figure 2-52, Indicator 3).
  - **Zoom In** (Figure 2-52, Indicator 4).
  - **Zoom Out** (Figure 2-52, Indicator 5).
  - **+ sign** (Add) (Figure 2-52, Indicator 6).
  - **Download Attachments** (Figure 2-52, Indicator 7).

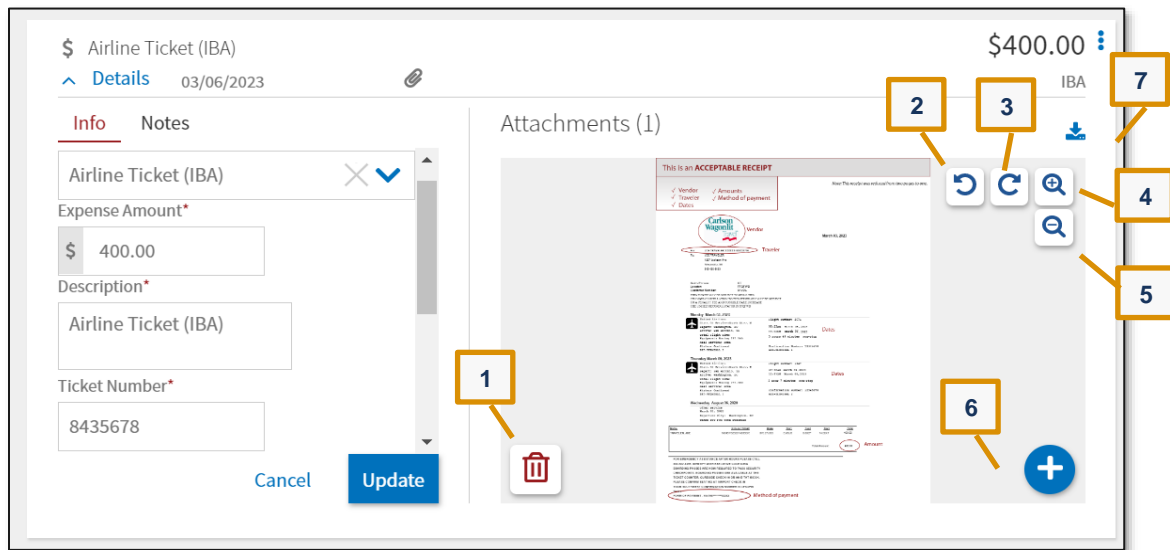

Figure 2-52: Attachment Screen - Air Receipt

5. Select **Update** to save changes.
6. Select **Details** again to close the expense item. The entry updates to show a paper clip icon indicating an attachment is present (Figure 2-53, Indicator 1).

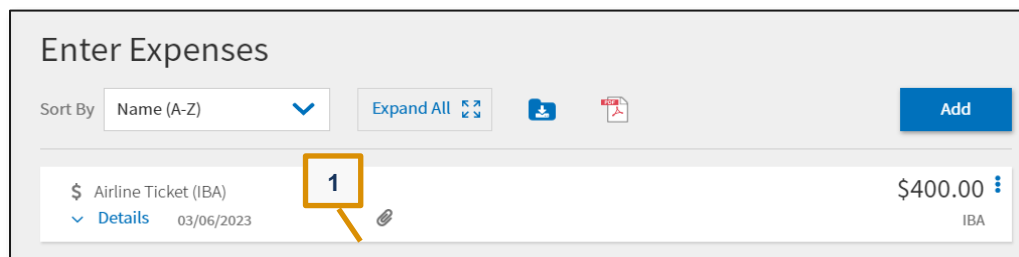

Figure 2-53: Attached Document Icon

### 5.3.2 Import a PDF

When you import files into the trip, (e.g., memos or Leave forms) you must attach each one to a specific expense or **Documents**. **Note:** DTS provides an information message if you uploaded files, but have not yet attached them (Figure 2-54, Indicator 1).

1. Begin on the **Enter Expenses** screen and select the **Import a PDF** icon (Figure 2-54, Indicator 2). The Import PDF window (Figure 2-55) opens.

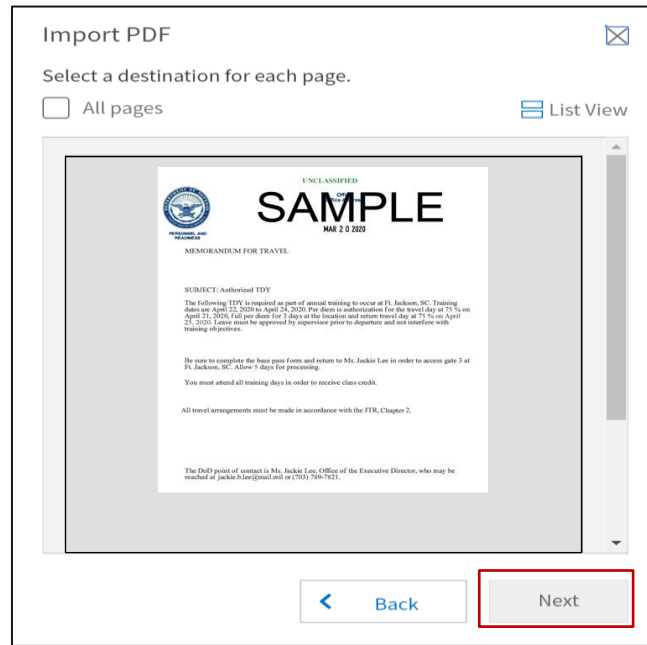

Figure 2-57: Import PDF Screen - Attachment

- Once the new page loads scroll down and locate the expense item or **Documents** in which to associate the file. For this example, select **Documents** (Figure 2-58, Indicator 1). Then the **Assign Documents** screen appears (Figure 2-59).

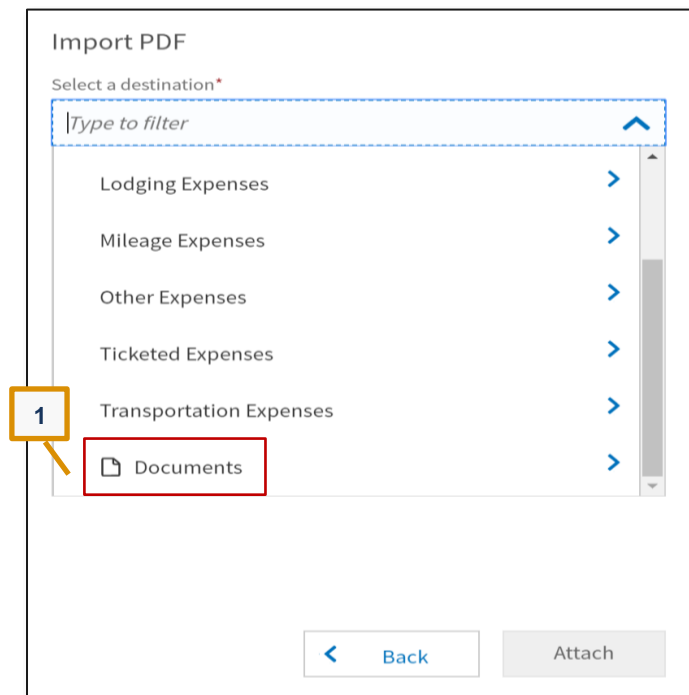

Figure 2-58: Import PDF – Expense Types Listing Screen

- On the **Assign Documents** screen, select the type of document you want to associate to the file (Figure 2-59). For this example choose **Memo** (Figure 2-59). The **Import PDF** window opens (Figure 2-60).

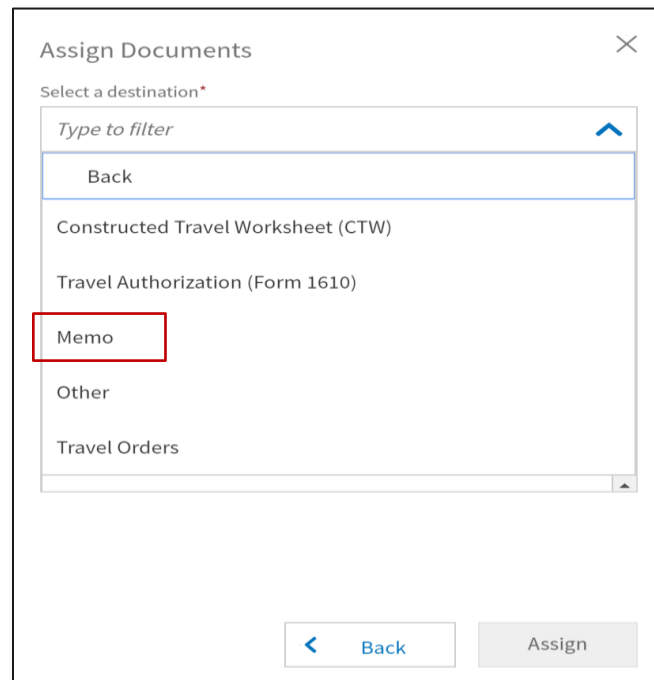

The 'Assign Documents' screen features a title bar with a close button. Below the title is a 'Select a destination\*' label above a search bar with the placeholder 'Type to filter'. A list of destinations is shown: 'Back', 'Constructed Travel Worksheet (CTW)', 'Travel Authorization (Form 1610)', 'Memo' (highlighted with a red box), 'Other', and 'Travel Orders'. At the bottom, there are two buttons: a blue 'Back' button with a left arrow and a grey 'Assign' button.

Figure 2-59: Assign Documents Screen

- On the **Import PDF** page, (Figure 2-60) complete the mandatory fields. **Note:** Mandatory fields are typically marked with an asterisk. For this example you must complete **Select a destination**, **Submit Date** and **Notes** added.

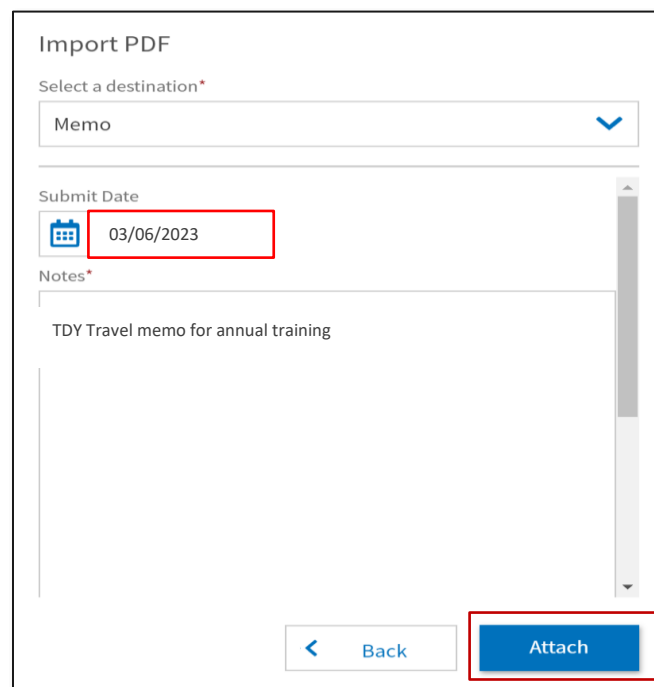

The 'Import PDF' screen has a title bar. Below the title is a 'Select a destination\*' label above a dropdown menu showing 'Memo'. Below this is a 'Submit Date' label above a date picker showing '03/06/2023' (highlighted with a red box). Below the date is a 'Notes\*' label above a text area containing 'TDY Travel memo for annual training'. At the bottom, there are two buttons: a blue 'Back' button with a left arrow and a blue 'Attach' button (highlighted with a red box).

9. Select **Done** (Figure 2-61). The **Enter Expenses** screen updates with the new entry (Figure 2-62, Indicator 1) displaying a paper clip icon (Figure 2-62, Indicator 2) reflecting an attached file.

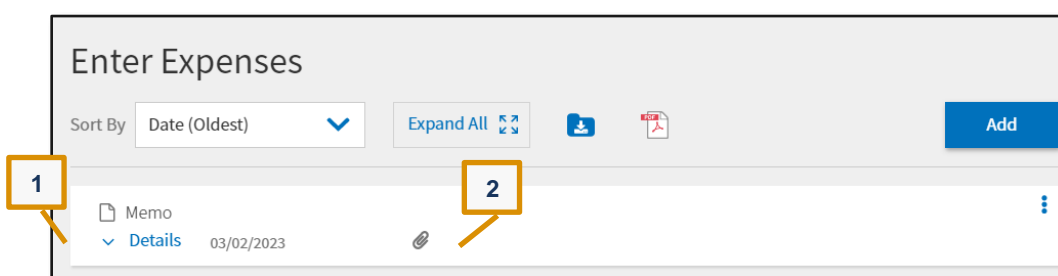

Figure 2-62: Enter Expenses Screen - Memo Attached

**Key Note 1:** On the **Enter Expenses** screen, DTS provides an information message (top of the screen in blue) if you import files and do not associate them to an **Expense** entry (see Figure 2-54, Indicator 1). If you receive the message, select the **Assign** documents now link, follow the prompts to assign or remove unwanted imported files.

**Key Note 2:** When your mode of travel is by **Private Auto - To/From TDY** you must attach a **Constructed Travel Worksheet (CTW)** to your trip.

- Either use a locally approved form or download the **CTW** available on the DTMO website.
- You attach the **CTW** by selecting **Add** from the **Enter Expenses** screen, and following the prompts, or by selecting **Import a PDF** and following the process as described on pages 60-65.
- Files attached as a memo or **CTW** appear as a paper clip icon on the **Enter Expenses** screen and reflect on the **Review Trip Authorization** page under the *Substantiating Documents* section as an attachment.

## Chapter 6: Per Diem Module

The Per Diem module identifies your per diem allowances – meaning your daily lodging limits and Meals & Incidental Expenses [M&IE] allowances. It initially populates that information from the trip itinerary and reservations in the **Reservations** module, but you can change it by updating the lodging cost or entering trip details such as duty conditions, provided meals, and leave. Access the **Review Per Diem Amounts** screen (Figure 2-63) by selecting **Per Diem** on the **Progress Bar**.

**Note:** When TDY at an *ILP* location, if you decline to use an available, directed lodging type and there is no approved exception, your lodging reimbursement will be limited as directed by the [JTR, Table 2-15](#).

### 6.1 Per Diem Page Overview

The **Review Per Diem Amounts** screen has 3 primary areas: top-green highlight (all adjustments and grouping), middle-orange highlight (daily breakout data and edit/reset option), and bottom-yellow highlight (**Per Diem Summary**). The key features on the **Per Diem** page include:

1. A **Group Similar Days** toggle (Figure 2-63a, Indicator 1) – initially toggled **ON** – that lets you see:
  - **ON:** Blocks of dates with identical allowances as a single entry (Figure 2-63a, Indicator 1).
  - **OFF:** Allowances for each individual date and location of travel (Figure 2-64, Indicator 1).

- Duty conditions.** These affect your per diem rate, such as field duty, ship duty, hospital stays, Reserve training, and more. Check those that apply or leave the default setting, if none apply. **Note:** Colored Bubbles appear on the lodging row to reflect circumstance. See *Table 2-7* for available options.
- Other Entitlements.** These affect your per diem rate, such as leave or other days on which you are not eligible for a per diem allowance. Check those that apply or leave the default setting, if none apply.

**Note 1:** Colored Bubbles appear on the lodging row to reflect circumstance. See *Table 2-8* for available options.

**Note 2:** On these portions of the screen, DTS grays out selections you are not eligible to choose (e.g., see **Occasional Meals Provided** in Figure 2-66). The *JTR* determines your eligibility for allowances based on whether you are a civilian or uniformed member, your duty location, your TDY location, and many other details.

- 6. **LODGING COST.** This editable field gives you a place to enter your daily lodging rate. This area also identifies the maximum locality rate.

- 8. Make the required changes, then select **Save Adjustments**.
- 9. The **Review Per Diem Amounts** screen updates to reflect the modifications to lodging and M&IE.
- 10. Select **Continue** to advance.

SELECTION	DESCRIPTION
OCONUS Incidental Amount (reduced rate)	Select if the AO determines that you should receive the OCONUS IE amount (\$3.50/day) rather than the locality IE rate. This is usually used when you travel OCONUS, but will lodge and work on a U.S. installation.
In Place Travel (receive full per diem)	Select on the first or last day of both authorizations when you have consecutive trips without a return home, but need to plan the trips on separate authorizations. Using it overrides the usual 75% rate on a first/last travel day to allow full per diem as is usual when traveling between TDY locations.

A final note to point out two special per diem situations:

- **PLOT:** When you take leave while you are TDY, Personal Leave with Official Travel (PLOT) rules apply. You can find rules that cover arranging PLOT in the GTCC Regulations, authorized by *DoD Instruction (DoDI) 5154.31, Chapter 3*. Special considerations for PLOT situations are in the DTMO web-based training class, PLOT. To access TraX, users must register through [Passport](#), DTMO's web portal.
- **IDL:** Travel across the International Date Line (IDL – an imaginary line in the Pacific Ocean), can cause you to “skip” a day or experience a day twice. For more information about how this can affect your per diem allowances, see the DTMO web-based training class, OCONUS Travel available in [TraX](#).

## Chapter 7: Accounting Module

The **Accounting** module provides key finance information about your authorization, such as where the money is coming from to pay for it, whether you need any funds before your final voucher, and how much the whole trip should cost. Access the **Accounting** module on the **Progress Bar**.

The **Accounting** screen contains from two to four main areas:

- Accounting Codes Always appears
- Advances May not appear
- Scheduled Partial Payments (SPPs) May not appear
- Accounting Summary Always appears

Section 7.1 through Section 7.4 spell out these areas and define when the optional ones appear.

### 7.1 Enter Accounting Codes

The *Accounting Codes* portion of the **Accounting** module (Figure 2-71) always appears. It shows the funding sources for your trip. DTS calls a funding source either a Line of Accounting (LOA) or an accounting code. For ease, this guide will exclusively use the former term, unless the DTS screen displays the latter.

Before the AO may approve your authorization, it must contain at least one LOA. However, DTS does not require you to provide a LOA. You can sign your authorization without a LOA, and in fact, some organizations do not want you to assign LOAs. If that is the case, and you don't require an advance or SPP, then skip to Section 7.4.

### 7.1.1 Add or Remove a LOA

If your DTS profile lists a default LOA, that LOA appears automatically, on your document indicating the allocations are complete (Figure 2-71, Indicator 1), and displays the payment categories for this trip. If the default LOA is not correct for this trip:

1. Select **options** (3-dots icon) (Figure 2-72, Indicator 1).
2. Select **Remove** to delete the LOA (Figure 2-72, Indicator 2).
3. Select **Add LOA** (Figure 2-72) to see up to three sources of LOAs you can add to your travel document. Each source has a drop-down list of available LOAs you can select. LOA sources include:
  - From **<organization>**: LOAs that belong to your organization.
  - **Shared LOA**: LOAs shared from an organization above yours.
  - **Cross Org LOA**: LOAs shared from organizations outside your hierarchy.

**Accounting**

Add and allocate lines of accounting, request advances, and manage scheduled partial payments (SPP) for trips lasting more than 45 days.

After you select **Edit LOA Allocations** (Figure 2-73, Indicator 2) and allocate the costs between LOAs, DTS displays the allocation method you used (Figure 2-73, Indicator 3), the payment categories, and costs (Figure 2-73, Indicator 4).

7.2 Request an Advance

On the **Accounting** page, the Advances section only appears if you are eligible to receive a travel advance, which is a payment sent to your personal bank account before the trip to help you pay official travel expenses. You are seldom eligible to receive a travel advance if you have a GTCC.

**Note:** When the AO does authorize an advance, you may receive up to either 80 or 100 percent of your anticipated trip payment.

- 1. Ensure there is a LOA selected for the trip (Figures 2-75a and 2-75b).

4. Review the information then scroll down the page. Select **Continue** to advance.

**Note:** If you need to change your advance request (for example if you add or remove expenses or if the trip length changes), follow these steps:

- If the AO has not yet approved the authorization:
  - Adjust the authorization, make the necessary changes, and then navigate to **Accounting**.
  - Under *Advances*, select **options** (3-dots icon), **Cancel Request** to remove the advance request (Figure 2-77). The screen updates to no scheduled advances. Follow the steps listed above to request the advance again.
- If the AO has already approved the authorization, you cannot change the advance request amount in DTS:
  - If your trip expenses will be higher (e.g., you extended your trip), you must request an increased advance outside DTS following your local business rules.
  - If your trip expenses will be lower (e.g., you shortened your trip), you will be placed into debt if the total amount you receive exceeds the amount you may claim when you file your voucher.

**Note:** When you select a restricted flight, once the authorization is approved mostly likely the GTCC is charged right away. You must pay off your GTCC bill in full when you receive it. If your voucher won't be processed before the due date your GTCC payment then you must either pay it out of pocket, or request a travel advance

for the air ticket amount. For detailed information on that process, see the information paper [Travel Advances for Restricted Airfares](#).

### 7.3 Scheduled Partial Payments

On the **Accounting** page, the *Scheduled Partial Payments (SPP)* section (Figures 2-78 and 2-79) only appears if your trip exceeds 45 days. When the section is available, use these steps to schedule payments to the GTCC vendor every 30 days until your trip is complete. Making regular payments to the GTCC vendor helps keep your GTCC account from going into delinquency while you are on official travel.

**Accounting**

Add and allocate lines of accounting, request advances, and manage scheduled partial payments (SPP) for trips lasting more than 45 days.

**ACCOUNTING CODES**

Lines of Accounting (LOA) are used to identify the source of funds for travel. If using more than one LOA, you will be required to allocate them.

Lines of Accounting (LOA)

➕ Add LOA

❗ No Lines of Accounting (LOA) have been added.

**SCHEDULED PARTIAL PAYMENTS (SPP)**

Available for trips more than 45 days, SPPs are automatically calculated and allow you to receive partial reimbursement before your trip is complete. Payments will be made every 30 days for estimated expenses.

➕ Request SPP

❗ No SPP(s) have been requested.

Figure 2-78: Accounting Screen - Scheduled Partial Payments

1. Ensure there is a LOA label on the document. Select **Add LOA** to choose an accounting label (Figure 2-78, Indicator 1).
2. Once the **Accounting** screen refreshes, select **Request SPP** (Figure 2-78, Indicator 2). The window opens with a breakdown of number of payments, payment date range and scheduled amount (Figure 2-79, Indicator 1).

**Note:** DTS calculates the payment amounts, based on your estimated trip expenses and trip itinerary dates. Payment dates occur every 30 days after the trip start date.

3. Review the information then scroll down the page. Select **Continue** to advance.

**Note:** You cannot manually change SPP amounts or payment dates, but they can change – here’s how:

- If you make any updates that affect your reimbursable expenses or trip allowances, DTS recalculates the amounts and dates of future SPPs.
- If you amend the authorization to make your trip shorter, DTS deletes SPPs scheduled after the new trip end date.
- If you amend the authorization to make your trip longer, DTS adds new SPPs as necessary; however, DTS cannot change SPPs in a **SUBMITTED** or **PAID** status.

7.4 Review Trip Costs and Payments

The *Accounting Summary* section (Figure 2-80), which appears at the bottom of the **Accounting** page, is informative only. This area displays the **Calculated Trip Cost** along with any prior payment details (e.g., SPP). View the information and then select **Continue** to proceed.

## Chapter 8: Review Module

There are four screens in the **Review** module:

- **Review Profile\***. Provides the opportunity to view and change your DTS personal profile.
- **Review Authorization\***. Displays all the information for the document so you can examine and update the document's contents.
- **Other Auths and Pre-Audits\***. Provides the document flags, advisories for you to review, add, and modify key statements on the authorization.
- **Sign and Submit\***. Displays the screen for you to digitally sign the document and start the routing process.

**\*Note:** You can access all four of these screens at any time by selecting them on the **Progress Bar**; however, before DTS will let you sign the document, you must access these screens in the order listed.

### 8.1 Review Profile Screen

When you select **Review Profile** on the **Progress Bar**, the **Review Profile** screen (Figure 2-81) displays your personal contact information and account data, as listed in your DTS personal profile.

- **Travel Preferences.** Entails the individual's TSA information and preferred travel choices (e.g., favorite airlines and hotels) and rewards program data.
  - **Additional Information.** Provides details about the individual's work: Service or Agency, unit, work address, and phone number. Some details (e.g., rank) you can't modify.
2. You select an item from the left and it displays on the right allowing changes.
  3. Once you make the change, be sure to save the profile. **Note:** You can save to the document profile only or save to the permanent profile as well.

### 8.1.1.1 Form Printing Preferences

By policy, there is no other required printable version from DTS. Recommend leaving the default settings in place unless you need to make a change.
3. If you make a change, choose **Save**. If the change should apply to all future documents you create, check the box next to **Update Permanent Profile** before you select **Save** (Figure 2-82b). If you don't check that box, your changes will apply to the current document only.

**Note:** If you require a copy of a DD 1610, DD 1351-2, or OF 1164, please contact your LDTA or Component rep for guidance on attaining electronic fillable or manual copies.

### 8.1.1.2 EFT and Credit Card Accounts

When everything is correct, select **Continue** to open the **Review Trip Authorization** screen (Figure 2-84).

### 8.1.2 Compare Profiles

- To check whether a DTS document contains current profile information, open the document in a view-only mode. Select **Open Profile**. The page opens. **Note:** In view-only modes, a **Compare Profiles** button replaces the **Save** button.

2. Select **Compare Profiles** to see a side-by-side comparison of the information in the *Document Profile* and *Permanent DTS Profile*.
3. Figure 2-83 displays the **Document Profile** and **Permanent Profile EFT and Credit Card Accounts (GTCC)** information, reflecting a change to the checking account routing number. **Note:** The example shows the EFT data is not the same for both profiles. To change to the profile in the document, you will need to edit the trip, then select **Open Profile** to make the change. Be sure to save. If the problem is in the permanent profile then be sure to fix it, see *Section 8.1.3 My Profile*.
4. Select **Cancel** or **X** at the top of the screen to close the window.

**My Profile** or your **Permanent DTS Profile** is available anytime from the DTS **Dashboard** upper right side under your name. If you did a **Compare Profiles** and found an issue with the **Permanent Profile** or need to make an update then do so before starting any new documents. **Note:** Remember if there is a document in process, and you update your **Permanent DTS Profile** the change will not impact that document. If the in process document requires a profile change then make the modification in the document profile as well.

## 8.2 Review Trip Authorization Screen

You can access the screens in this module by selecting the options on the **Progress Bar**; however, before you can sign the document, DTS requires you to access the following screens in the order listed:

1. **Review Trip Authorization**
2. **Other Auths and Pre Audits**
3. **Digital Signature**

You can open the **Review Trip Authorization** screen (Figures 2-84a-g) by selecting **Review Authorization** on the **Progress Bar**. Use it to review important information in your authorization, and update it as necessary.

From top to bottom (Figures 2-84a-g), the **Review Trip Authorization** screen displays:

- **Trip Details** (Figure 2-84a, Indicator 1). Provides the document name, trip type, trip purpose, trip description, trip dates, and conference name, if applicable. Provides a place to add a reference number and comments to the AO, if needed.
- **Itinerary** (Figure 2-84b, Indicator 2). Provides key travel dates and locations, along with reservation Indicators, and the option to show their details.
- **Expenses** (Figure 2-84c, Indicator 3). A list of all your reservation expenses, (Figure 2-84d, Indicator 4) reimbursable expenses, and mileage allowances and attached supporting documents (Figure 2-84d, Indicator 5). Again though, after **CTO BOOKED**, DTS may not display the return flight (see Note 1 in Section 5.2).
- **Per Diem** (Figure 2-84e, Indicator 6). Offers a breakdown of total lodging cost, the amount authorized for lodging reimbursement, and M&IE.
- **Accounting Codes** (Figure 2-84f, Indicator 7). Shows a summary of trip expenses by LOA.

- **Estimated Trip Cost** (Figure 2-84g, Indicator 8). Displays trip expenses by category, as well as requested advances and SPPs, if applicable. Shows payments requested or received, total allowed trip cost, and total estimated trip cost.

Once you enter all trip expenses into the authorization, select **Continue** (Figure 2-84g) to open the **Other Authorizations and Pre Audits** screen (Figure 2-85a).

## 8.3 Other Auths and Pre-Audits Screen

You can open the **Other Auths and Pre Audits** screen by selecting **Other Auths and Pre-Audits** at any time on the **Progress Bar**. The page contains three areas: **Other Authorizations**, **Pre-Audit** and **Advisories**.

- If the document is within travel policy compliance, the screen may reflect **No Other Authorizations** have been added, **0 Pre Audits**, and **0 Advisories**. If that is the case then you have no action, instead, scroll to the bottom of the page, select **Continue** to advance to the **Digital Signature** page.
- If **Other Auths and Pre Audits** flags appear then review the information. Enter comments and/or justifications for your document selections. In some cases you may have to return to your document entries and take corrective action before returning the **Other Auths and Pre Audits** screen and prior to document signing.

**Note:** The [DTA Manual, Appendix K](#) provides a full explanation of the different DTS tables and systems checks which includes **Other Authorizations**, **Pre-Audit flags**, and **Advisory** notices for travel documents.

### 8.3.1 Other Authorizations

**Other Authorizations** flag certain travel items and provide comments when applicable (Figure 2-85a).

- You cannot remove these system indicators, except by changing the selection that caused the **Other Authorization** notice to appear (Figure 2-85a, Indicator 1). For example, if you are taking **Annual Leave** then you indicated as such in the **Per Diem** table. To remove the flag, you would have to remove the leave selection from the **Per Diem** table and then DTS would no longer flag for leave.

The screenshot shows the 'Other Auths and Pre Audits' screen. At the top, there is a header 'Other Auths and Pre Audits' and a sub-header 'DoD mandates split disbursement for transportation, lodging and rental cars expenses by default. View memorandum'. Below this is the 'Other Authorizations' section. A blue button 'Add Other Authorization' is in the top right. The text says 'The following are the additional authorizations that were selected based on the trip details. Enter comments to your Approving Official below.' A blue box labeled '1' highlights the 'ANNUAL LEAVE OR NON-DUTY DAYS' flag. Below the flag, it says 'ANNUAL LEAVE OR NON-DUTY DAYS' and 'Leave approved through supervisory chain.' A blue box labeled '2' highlights the 'Add Comments' button. Below the flag, there is a 'Comments' text box and an 'Add Comments' button.

Figure 2-85a: Other Authorizations and Pre Audits Screen - Annual Leave Flag

- Every **Other Authorization** flag requires a **Comment**. If DTS did not provide one for you, you must add it (Figure 2-85a, Indicator 2) by selecting **Add Comments**.
- (Optional) You can enter items manually such as **BAGGAGE - EXCESS** or **OTHER** to add specialized remarks using the **Add Other Authorizations** option (Figure 2-85b).

### 8.3.2 Pre-Audits

**Pre-Audits** identify items flagged for exceeding cost thresholds or selections that break travel policy without specific AO approval.

- You must provide a **Justification** for each flagged item explaining why the AO should approve it. If your justification is insufficient, the AO will return the document to you for correction or further explanation.
- If your transportation mode is not by commercial or government managed air (Figure 2-86a) and instead is by a **Privately Owned Vehicle (POV)**, DTS flags for a **Constructed Travel Worksheet (CTW)**. You will need to provide a justification for your transportation choice and if applicable per the *JTR*, attach a **CTW** to the trip.

8.3.3 Advisories

**Advisories** alert you to items of potential concern or serve as a reminder. Unlike, **Other Authorizations**, **Pre-Audit** flags and **Reason Codes**, an **Advisory** doesn't require a justification.

- If you selected leave in the per diem table, you receive an **Advisory** (Figure 2-87a). You should review the information (e.g., leave requested) before proceeding to the **Digital Signature** page.

By clicking "Submit" you are legally signing this document to be submitted for routing and approval.

The estimated transportation related expenses and actual reimbursement may be reduced if travel is completed using a different transportation mode than authorized by your AO.

If your document is not approved or ticketed at least 72 hours prior to departure, your air reservations will be cancelled. Air reservations booked within 72 hours of trip departure must be approved and ticketed within 24 hours to avoid cancellation.

**1**

**Submit Completed Document**

Figure 2-89: Digital Signature Screen

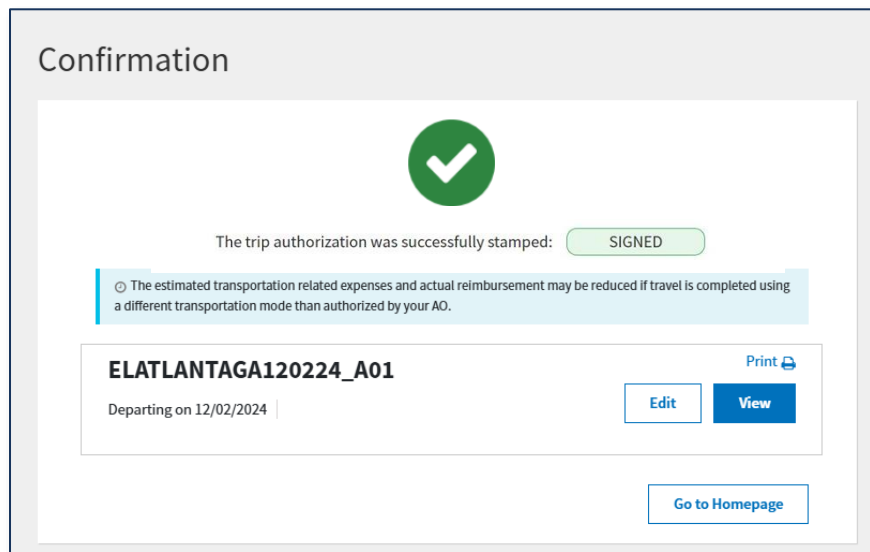

To sign the authorization:

1. View the status of the document (Figure 2-89).
2. Under **DOCUMENT STATUS**, check the box next to, **I agree to SIGN this document** (Figure 2-89).
3. (Optional) Choose a different routing list (Figure 2-89, if needed. Follow your local guidance to determine the correct routing list to use.
4. (Optional) **Add Comments** to the AO (Figure 2-89).

**Note:** If your profile reflects that reimbursement by EFT is mandatory (which is the case for most DoD personnel), you will not be able to sign the authorization if your profile contains no EFT data.

At the bottom of the **Digital Signature** page (Figure 2-89), alerts or warning may occur, depending on the selections you made in the document, DTS may:

- Warn you that if the AO doesn't approve the document within 72 hours before departure (or less, for if you're already in the 72-hour window), your airline reservations will be cancelled.
  - Warn you your profile contains no valid GTCC information and gives you a chance to enter it.
  - Verify your identity by requiring you to enter your CAC PIN.
5. Select **Submit Completed Document** (Figure 2-89, Indicator 1) to attach the displayed stamp. Unless DTS detects a problem with the document, it provides a successful message (Figure 2-90).

*Figure 2-90: Confirmation Screen - Submit Successful*

Once you stamp **SIGNED**, the routing process begins and DTS updates the **Document History** section of the **Digital Signature** page.

- If you do have reservations, the document updates with **CTO SUBMIT** and the document is view only. On the **CTO SUBMIT** line, the comments, "Allow 24 business hours from the **CTO SUBMIT** stamp time for TMC processing before contacting the TMC or TAC for assistance," appear.
- While the status is **CTO SUBMIT**, no other document actions can occur until the document updates to **CTO BOOKED**.
- After **CTO BOOKED** the document routes to the individuals on the routing list. You can edit the document if changes are necessary. If you make reservations changes, be sure to re-sign the document again.
- If you don't have reservations, your document routes based upon the routing list details.
  - If your routing list contains the **REVIEWED** step then your document goes to those individuals then to the AO.
  - If your routing list has no Reviewers then it will go straight to the AO. The routing list must contain the **APPROVED** step and it is the last step for action. The AO does the approval, then your document goes to your supporting financial institution for monetary processing.

## 8.5 Travel Ready

*Travel Ready* means you have everything you need to support your mission, and information on hand in case your mission needs change. Before you depart, consider the following:

- Ensure your AO stamps the authorization **APPROVED**.
  - Log into DTS and navigate to the **Digital Signature** screen. Verify current document status.
  - If you don't see the **APPROVED** stamp contact your DTA and supervisor for assistance.
- Confirm ticketing by the TMC for your air or train travel. There are several options to confirm your ticketing status ensuring you are ready to travel:
  - Log into DTS and navigate to the **Digital Signature** screen. If the **CTO TICKETED** stamp appears in your document history, the TMC has ticketed your trip.
  - Check your email. Most TMCs send you an email when they ticket your flights or rail reservation, which happens about three business days before your trip starts.
  - Go online to your TMC's website. After you enter some identifying information about your trip, you'll see your ticketing status.
  - Call the TMC. They can confirm your reservations are booked and ticketed.
- Consider your starting location, weather, traffic routes which can impact when you should begin travel and plan accordingly.
- Sign up for TSA PreCheck to reduce security line delays. See the DTMO website at <https://www.travel.dod.mil/Programs/Commercial-Air/TSA-PreCheck/> for more on TSA PreCheck.
- Sign up for Reward Programs (e.g., air, hotel, rental car). See the vendor's website (e.g., United, Hertz, Marriott) on how to sign up. Add **Reward** numbers in your DTS profile.
- Sign up for DoD Dine Smart. See the DTMO website at <https://www.travel.dod.mil/Programs/DoD-Dine-Smart/>.
- Bring your TMC information with you in case of travel changes (e.g., contact number, after hours support, PNR Locator).
- Bring key contacts' information with you in case of travel delays (i.e., supervisor, DTA, Help desk).
- Know the status of your GTCC. If you didn't check before starting your authorization, do so now. Verify with the APC the card is active and the limits meet your mission. Use it for official travel expenses including meals.
- Bring the proper form of ID that matches the name issued for your air or rail ticket to pass the TSA security check.
- If using the CBA for air or rail travel, ensure you have a POC to contact in case of ticketing changes.
- Pack your personal items (e.g., medication, charging cords) necessary while you are away.
- Bring all your mission requirements (e.g., laptop, equipment).
- Consider online early check-in (e.g., airline or rail) to avoid lengthy counter delays.
- Retain TMC invoice, all lodging receipts, and receipts for expenses of \$75.00 or more for voucher purposes.

## 8.6. Document Access and Retention

You can access your recent trips before, during, and after travel under **My Travel Documents**. If you don't see the specific document on the list, select the box for **Show Inactive Documents** and the list refreshes for you to view older trips. However, documents do not stay in the system indefinitely. DTS must adhere to the Records Management requirements for document retention. DTS will retain documents for 10 years (i.e., after the last processing stamp occurs, any debt document is satisfied or waived) for audit readiness purposes. Once the retention period is achieved, documents will be removed from DTS. **Note:** Contact your Component Representation to further discuss audit readiness requirements and any exceptions for document retention.

## Chapter 9: Additional Assistance

### 9.1 Component Representatives

Your Component Representatives can provide more information on DTS and specifics on your local business rules. You can find **Local Level Travel Assistance** on the [DTMO](https://www.travel.dod.mil/Support/Local-Level-Travel-Assistance/) website at <https://www.travel.dod.mil/Support/Local-Level-Travel-Assistance/> and at the bottom of the [DTS Home](#) page.

### 9.2 Training Opportunities

The DTMO Passport portal provides access to [Travel Explorer \(TraX\)](#) which offers a variety of on-demand Web-based Trainings (WBTs). These courses support training on the Government Travel Charge Card (GTCC), Certifying Officer Legislation (COL) training for Authorizing Officials, DTS Basics for travelers, DTS Admin for DTAs and much more. Users can print or download a copy of their Completed Training certificates. Check with your Component Representative for how you will meet your training objects either using TraX or a locally approved process.

### 9.3 Available Resources

The DTMO publishes numerous travel related resources. Below offers a sampling of materials. These sources are regularly updated based upon system and policy changes. For a complete listing of available resources, check the DTMO [Training Search Tool](#).

The three sections include: Additional Resources (e.g., policies, programs, tools), Guides and Manuals, and Other Resources (e.g., information papers, trifold) which you may find useful as a DTS user.
