Edukation

-666 Everywhere, 1.1.1.1-

Dear beloved one,

this is your only chance to enter the new dynasty of GOD on Earth, we are working from HEAVEN with The Real Living God to make sure that this system get erased and replace with all what you cannot comprehend or understand right now. A new Universal System is underway presently. At Edukation, we work with the non-humans/humans mosts Advanced Technologicals Achievements. We reached you or your company to let u have a chance to collaborate with us and get ur seat leak in the one way gate. We offer careers, investments, sponsorship, new education, new technology, new DNA improvement, new languages, security, intelligence and much more. As Superhumans, we are superpowered and know exactly what to do with ur specie. The time is now, reserve your place or loose it. Never fear anything at all. The first ones will be on the new top position hiearchy before others. We using every kind of INTELLIGENCE on a field and we are professional, we part of the Elites on this Planet. You will get all the ressources necessary to achieve your goals into our team. Your family, your childrens, your friends is important for us. This is just an introduction to what come next with that present Xfile. You have to enter your name, yours coordonates and you sign this agreement and you send it back to the Email on top of this document. We have waited for you since thousands of years. This is the Stars Command, take ur role and shape this new PLANET with us.
