MIL-P-55110 PRINTED WIRING BOARDS

Seller shall be currently qualified to Mil-P-55110 for board type and material specified for this Purchase Order.

Material supplied to this Purchase Order shall meet the requirements of Mil-P-55110.

A minimum of one (1) quality conformance test coupon per panel shall be included with each shipment of boards. For traceability, each coupon shipped shall be identifiable with the corresponding production boards produced on the panel with the coupon.

This document is an integral part of the contract (purchase order), which calls it out. The revision in effect at the time the purchase order was placed applies.
