

The TACLANE® Approved Products List (APL) is a catalog of ancillary equipment that has been tested and validated by General Dynamics for use with TACLANE devices. Using approved items reduces risks associated with interoperability, redundancy, environmental factors and even warranty coverage. To request items be tested and added to the TACLANE APL, please email your request to infosec@gd-ms.com.

RACK MOUNT SOLUTIONS									
Product Picture	Description	Product Family	Product Identifier			Procurement Vehicle			
			Part Number	Product Number	CLIN	GD Direct	IDIQ	GSA	SEWP
	TACLANE Universal Rack Mount Shelf Kit Standard 19" rack mount shelf includes adjustable ears for full extension of up to 24"-30"D and includes hardware to securely hard-mount a combination of the following products including power supplies: (2) TACLANE-ES10, (2) TACLANE-1G, (2) TACLANE-FLEX/Micro, (4) TACLANE-Nano/C175N. The shelf is designed to also support (2) ProtecD@R Multi-Platform (KG-204) and (2) TACDS-LP devices. This shelf accommodates optional Quick Disconnect trays sold separately for easy removal of both encryption devices and power supplies.	KG-175D/F/G/N; C175N; KG-185A <i>Also supports ProtecD@R and TACDS</i>	US00250675-1	TLUR-KIT	TBD	•			
	TACLANE Universal Rack Mount Shelf - Large Quick Disconnect Accessory Optional tray enables quick, easy mounting of (1) TACLANE-ES10 (KG-185A) or TACLANE-1G (KG-175G) encryptions per tray. Two Large Disconnect Accessory trays can be accommodated on the TACLANE Universal Rack Mount Shelf.	KG-175G; KG-185A	US00250678-1	TLUR-LQD	TBD	•			
	TACLANE Universal Rack Mount Shelf - Medium Quick Disconnect Accessory Optional tray enables quick, easy mounting of (1) TACLANE-FLEX (KG-175F)/Micro (KG-175D) encryptions, (1) ProtecD@R Multi-Platform (KG-204) or (1) TACDS-LP devices per tray. Two Medium Disconnect Accessory trays can be accommodated on the TACLANE Universal Rack Mount Shelf.	KG-175D/F <i>Also supports ProtecD@R and TACDS</i>	US00250679-1	TLUR-MQD	TBD	•			
	TACLANE Universal Rack Mount Shelf - Small Quick Disconnect Accessory Optional tray enables quick, easy mounting of up to (2) TACLANE-Nano (KG-175N) or TACLANE-C175N encryptions per tray. Two Small Disconnect Accessory trays can be accommodated on the TACLANE Universal Rack Mount Shelf.	KG-175N/ C175N	US00250680-1	TLUR-SMQD	TBD	•			
	TACLANE Universal Rack Mount Shelf - Power Supply Quick Disconnect Accessory Optional tray enables quick, easy mounting of (1) power supply supporting any of these products: TACLANE-ES10 (KG-185A)/1G (KG-175G)/FLEX (KG-175F)/Micro (KG-175D)/Nano (KG-175N)/C175N, ProtecD@R Multi-Platform (KG-204) and TACDS-LP. Two Power Supply Quick Disconnect Accessory trays can be accommodated on the TACLANE Universal Rack Mount Shelf.	KG-175D/F/G/N; C175N; KG-185A <i>Also supports ProtecD@R and TACDS</i>	US00250681-1	TLUR-PWQD	TBD	•			
	TACLANE Rack Mount Shelf Kit 19" Rack mount that securely mounts a combination of the following products without power supplies: (2) TACLANE-1G or TACLANE-ES10 units; (1) TACLANE-1G or TACLANE-ES10 and (1) TACLANE-Micro/C100/FLEX units.	KG-175D/F/G; KG-185A	10-2834442-1	MC-106B	7001	•	•		
	Sliding rails (for TACLANE-ASP) Kit includes a pair of sliding rails and mounting brackets to mount (1) TACLANE-ASP (KG-185B) chassis into standard 19" Rack.	KG-185B	US00257829-1	ES-ASP-RAIL	9624	•	•

ADAPTER MODULES									
Product Picture	Description	Product Family	Product Identifier			Procurement Vehicle			
			Part Number	Product Number	CLIN	GD Direct	IDIQ	GSA	SEWP
	TACLANE-Nano/C175N Adapter Module (for KG-175D) Designed for KG-175D form/fit replacement. This module holds one TACLANE-Nano KG-175N or TACLANE-C175N encryptor (sold separately) and includes internal wiring to support the power and network interfaces of the TACLANE-Micro (KG-175D) and one year warranty. TACLANE-Micro AC Power Adapter (P/N 28-2750283-1) required to power Adapter Module sold separately. (Note this item can be purchased bundled with the TACLANE-Nano or TACLANE-C175N Encryptors.	KG-175N/ C175N	US0220228-1	NN-AM175D	7614	•	•		
How To Order: Contact the General Dynamics INFOSEC Team for pricing, order requirements and procurement schedule information. Email: infosec@gd-ms.com
